Dear Dr. Saillenfait:

This is in response to your Freedom of Information Act request EPA-HQ-2016-008431, in which you requested information on a study by E.I du Pont de Nemours dated 1995 on N-methyl-2-pyrrolidone in the rat (EPA-OTS Microfiche OTS0558845). This microfiche has been retrieved and you were notified in an e-mail from Kenneth Powell on August 23rd, 2016 that the document would be transmitted to you.

This letter concludes our response to your request. The agency will not consider appeals *received* after the 90 calendar day limit. Appeals received after 5:00 pm EST will be considered received the next business day. The appeal letter should include the FOIA tracking numbers listed above.
